“ *Our hearts are saddened to hear of Murray's passing. Murray was always so kind and sweet to me whenever our families were together when my Dad and husband Mom were married before my Dad passed. Murray fought his illness for so many years, but with such grace. To Sandra, Kathy, all the family, our thoughts, prayers, and live are with you during this sad time. May God wrap His loving arms around each of you to help you walk forward. All our love.*
