“ I just found out of this and it completely breaks my heart. Ms Nancy was like a mom to me and I hate that I can never see that smile or hear that “yeahhh” with a grin. Rest easy “My Mamacita”. Love you to the moon and back.

“ I have so many memories of my aunt Nancy, too many to tell here. She is what I would describe as the fun aunt. She had a laugh that I can hear to this moment, a signature sound. She will always be loved, and forever missed. Fly high my precious aunt. To the sun, the moon and stars. Love your youngest nephew. -Juston
