“ Mary Frances, Jonathan & Family,,  
Words cannot express how sad I am to hear about Nathan. Every time I saw him, he always had a kind word and a smile. He was such a hard worker every since I have known him. I remember the first time I saw him at BellSouth Mobility in 1996 when I activated your phones. Meeting good people like Nathan, you and Jonathan is a part of what makes life so good. Jonathan, my prayer is to hold you up so that God will comfort you during this time of loss. I love you all and if you need me please call.  
Please accept my deepest sympathy!!!##imported-begin##Judy Youngblood##imported-end##

“ It just dont seem possible that you are gone.as far back as I could remember you were always there in our lives, hanging out with dad. then when I got old enough I was hanging out with you guys. I will remember all the good times, and all the roads we traveled. it was an honor to know you and work with you.I remember as a kid working with you and throwing the phone books. that was great fun. then when I grew up I got to work with you again doing fence. I still cant believe you are gone. I will miss you but never forget you and the impact you had on my life. so long for now.maybe one day we will meet again.##imported-begin##Scotty Peters##imported-end##
