“ Terry, my condolences on Neal's loss. I remember him from waaaay back when we were all kids & how sweet natured Neal always was. Even though I haven't seen him in many, many years, I can only imagine that he remained that way throughout his life. May God Bless you and your family.

“ *Miss Betty, Terry, Susan, Crystal, Jason, Cassie & Blake,
God bless you all and bring you comfort. Neal was always nice to me and no matter when I saw him he would ask about grandmama & granddaddy as long as they were with us and when I got my own family he would always ask about them. That meant a lot to me. I remember Neal ever since I can recall having memories. You all know you are more like family than friends. Each of you are in our prayers. Please know that we love you all.*

“ Terry,
You and your family are in my prayers. It seems like I have known some in your family for most of years. Your uncle Gerald, aunt Jane and I shared time together in activities as teens. Life was less complex then and times were good. You and Neal were my students when I taught at BHS and my contact continued with the Daniel family. You and Neal were good young men and it was my pleasure to have you as students. I am saddened that Neil has left this life, however, your comments about his finding peace and acceptance uplift me. As the days ahead come and pass, I will continue to hold all of you in prayer.

“ For the family of Neal, I assure you this life here will PALE in comparison to his eternity in the Kingdom of God. He won't miss it. You wouldn't want to bring him back if you could. Neal has fought his fight, stayed the course, and is now in Victory Circle where we'll join him when our race is run. I know you will all grieve his absence. That's a natural process. There's a scripture that confirms our hopes: "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." II Corinthians 5:8 Neal is gone from his body but is present with our Lord! You are all in our prayers and we ask God to strengthen each of you in days, weeks ahead. I love you all like family...but, we are. The Family of God.

Good Word Dianne! I don't think I've ever heard eternity with Christ explained any better.

“ *Hey Son (You know I always called you that), I just don't know where to start. We've been through some mighty good times, and some really bad times in our life. Through it all we never stopped loving each other. Funny, I was laying in the bed early this morning, and only the good memories came to me. What I really look forward to is our future times together in Paradise. I have been praising God constantly since you gave your life to Him yesterday afternoon. I'm so proud I got to talk to you and pray together. What a great feeling knowing where you are this morning. My soul envies you today. You have hugged our Jesus, and you're seeing people we haven't seen in years. WOW, how great is that !!!*

I'm taking care of Mama and all the family until we gather in that big circle again. Until that day, I LOVE YOU LITTLE BUBBA.

*Terry, I don't think you and I have ever met though we have a mutual friend (Dennis Peavy). I just want you to know how happy I am that you got that chance with your brother to lead him to the Lord. So many times we lose love ones here on earth not knowing where they will spend eternity.
Please know that you and your family are in my prayers.*
