“ Remember how faithful he was and how much he loved Debra. How he loved his daughter and the precious dance they had after the wedding at the reception.

His fight threw the pain in his back and health. A man of courage.

Celebrate your home coming with the Lord Nicky!

Peace and prayers for your family.

“ I want to offer my condolences to you Debra and family for your loss. Even though Nicky and I grew apart in our later years, I still often thought about Nicky. Nicky and I grew up together and I've known Nicky for 58 years. Nicky grew up on Villa Esta Ave. across from the school and all the guys that played ball on the school yard would go to Nicky's to quench our thirst from the water hose. He and I rode motorcycles at the bluffs across from Keebler's and as kids it was a fantastic time growing up. I would say Nicky was my best friend while growing up. I will miss you Nick

“ I can honestly say I was blessed as a kid with the greatest uncle ever on earth. From spending nights as a kid, to working on the race car and late night Waffle House visits on the way home from the track. Thank you Uncle Nicky for loving us Halligan nephews and nieces like your own. I know you are with the lord and there was a line of people waiting to welcome you home and that brings me peace. Aunt Deborah there are no words to express how our hearts hurt for you and the kids. We will be praying for you all in the days to come. Love Lil Charles and Amy Halligan
