“ I remember being in middle school and high school. This seems so unreal. The one time I remember the most you didn't want to go home so we went to my house and when your aunt came to get you, you hid in my closet and wouldn't go. I remember also everyone would ask Nikki Dunn or Nikki Lavender? God thos were the good Ole days. Can't believe you are gone love. I will always always cherish the time we spent together ❤️. Love you always. Kiss my uncle for me and keep that smile only you could have. Emilee so sorry for your loss. And Kay my heart goes out to you 💔 fly high beautiful.
