“ *It has been a pleasure knowing Noah. His wonderful voice brightened the day for our GCSU nursing and community health students when we visited with the Pet Therapy group each week. We loved his Irish songs! He was so proud of his family and especially the display box of his medals from his service to our country. He will be missed! Our thoughts and prayers are extended to his family. ” Margie Johnson (faculty) and GCSU Nursing Students##imported-begin##Margie Johnson##imported-end##*
