“ "There's an open gate at the end of the road through which each must go alone, and there in a light we cannot see, our Father claims His own. Beyond the gate, your loved one finds happiness and rest. And there is comfort in the thought that a loving God knows best." I got this card once and saved it because it was comforting to me and hope it will be to you. Memories are the greatest thing in life for keeping our loved one alive in our hearts.
