“Daddy,
I became your daughter many years ago. You were always so kind to me and treated me like your own. I will miss seeing you and talking with you. There just are no words to express how very much you will be missed. I've lost another father and you know I loved you so much. Now you are with your sweet Mama and your brothers and sister. May you rest in peace and breathe easy and be free of pain. Our hearts are hurting that you are gone but we celebrate your life and the memories you leave us with. We will carry you with us in our hearts forever. Through the grief and tears we know you are in a better place where you can watch over us all. We love you Daddy! I love you Daddy!! You are gone but will never be forgotten. All our love as you journey home.
