“ I did not know Ouida personally or for a long period of time. I met her while doing clinicals at ORMC in 2007 when I was in nursing school. I could not remember her name for nothing and instead of asking her I would read her name tag and ended up still having to ask her to say it anyway b/c I could not pronounce it. She was very sweet and did not mind helping me with whatever questions I need help with. So to all her family and friends stay strong and hold on to God's unchanging hand.##imported-begin##Mimi##imported-end##

“ *Ouida was a loyal and loving friend to me for 25 years. And touched the lives of everyone she met.I have never heard her say an unkind word.
She Loved God and her family with all that she had, and her life was driven to serve for that purpose. Nursing was her true calling, and she so graciously gave from her heart to those that she cared for. What a Beautiful place Heaven must be. We will see her again
