“ *I will always cherish the last day i spent with Owen. I would set him up on the counter and he'd say, "ready" then jump into my arms. He made a fun little game out of it. He laughed and smiled so hard I'm sure his little cheeks were sore. He always found the joy in everything. No matter where or what. He was walking happiness. I bet even heaven is a much brighter place since he arrived. I sure do miss that sweet face.*
