“ *Am Always With You*

*When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many
tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.*

My GOD continue to give and your family strength..
