“ Pat and I went to school from 2nd grade through the 12th grade. First at West End Elemetry then in the 8th grade we moved to Baldwin High. Pat was a sweet lady that was humble and considerate will to participate. We are pictured at one of our Class reunion.

*My condolences and sympathy to Pat's family. I can't imagine the hole in their lives. I know the BHS Class of 1970 will miss her. Rest In Peace!*

*Love, Charles Middlebrooks*

“ I had the pleasure of working with Ms. Pat when we were in office before Covid Pandemic. She was certainly a beautiful & sweet Person. She would stop in and talk to me when she would go to get her Coffee. I sure enjoyed the time spent talking with Ms. Pat. We also enjoyed an outing to eat Mexican with some of our co-workers away from work. We all will miss Ms. Pat knowing that we will not see or talk to her. Please know that all of you are in our thoughts & prayers.

“ Pat was such an angel to work with and I am very grateful she decided to come back to work after her first retirement. So glad I hired her to join our team as we all loved her! She was such a light at the office and I missed her beautiful smile when we had to work at home! She smiled with her whole face and it always warmed my heart! I know she is smiling down on you all as she loved talking about each of you and her precious grandchildren! My thoughts and prayers are with all of you! She will be missed!
