“ Dear Sweet Pat.....She was one of the kindest people I have ever known. Jim and I first met Pat when she worked at the Overlook Room at Great Waters. Everybody loved her wonderful smile and her sweet hospitality. At the Sunday Brunches, Pat would bring beautiful platters of her home grown tomatoes (the size of baseballs) to share with us. She also brought her contagious smile to The Holiday House along with her many special talents. She was one of the many driving forces that made the Holiday House the success it was. What a pleasure it was to call Pat my friend. She fought a valiant fight. Pat is now at peace with her Lord. She will truly be missed by all. Dona Stanton

“ I got to know Pat through the church's Holiday House fundraiser project for 5 years to help the Youth Alliance. She was fun to be with and was a big help in refurbishing old Christmas decorations to resell to raise the money for the Youth Alliance. She will be missed

“ Pat was one of the most kind people I met at the lake. shortly after my husbands death, I was going through a very trying time with my sister. we went to lunch at Great Waters - Pat was our waitress. she just seemed to know something was amiss and was kind in her words and actions. I have never forgotten!!!

My dear friend Pat was one of the first people I met at Great Waters in 2000. She had started working at Great Waters & we saw her frequently. Always remember the wonderful attitude & her work ethic. We were not just patrons but became friends. She knew our children & grandchildren & we knew hers thru conversation & sharing what was happening in our lives. We went thru her husband's illness with her. We went to Holiday House together. She was a beautiful Christian in every way. I am so blessed to have known her & had her in my life. I carry her in my heart & it is a pleasant memory that I cherish.
