Kay was my Sister-in-law but was like a sister to me and was my best friend, we shared so many things together. We are so grateful for the time she shared her life with me and her Brother Anthony whom she loved. We loved each other dearly we Laugh and we cried together. I miss talking to her each and every day!!! She was a very compassionate person and had a heart of gold!! She knew this day was coming and the one thing that broke her heart about leaving us was deep love for her grandson Houston Jones. She wanted to make sure he would be taken good care of because she is the one that meet his needs and now we will make sure that he is taken care for her. !! There is so much I could go on and on about her but I am thankful for the many memory's we have of her. She could be so funny. I love you Kay and always will , You will never be forgotten. You will only sleep for a little while and soon we will see you again! When you awake the world will be a Paradise know more death nor pain nor sickness will have been done away with Rev 21: 3,4 We are all sinners cause we inherited sin from Adam and Eve but when you die you have paid the price for those's sin or mistakes in life and so has she . Love you my dearest friend !!!!

“ I met Miss Kay this past July when she so graciously took in Coco my late uncle's dog. My uncle had lived at the park one or two lots from Miss Kay. Oh how she lived Coco and provided a wonderful home for her by becoming her adoptive mother! Sadly Coco didn't live long, but she lived the best life for the first time in a VERY long time.. All because of this sweet lady's caring and generous spirit! I was shocked and deeply saddened when I learned of her passing.. Thank you Miss Kay for your kindness and friendship.. I know u are in heaven now with The Father, Coco, and your daughter who you missed so much !! I will never forget you and will think of you each time I go by the lake.. My deepest sympathy to your family in their loss.. Carol Lewis
