“ *Tina, Junior, Randy & Andy, my thoughts & prayers are with each of you and all of Tricia's family during this difficult time. Your Momma was truly precious to me and one of a kind. We always found something to laugh about and I loved to see her beautiful smile. I am eternally grateful to her for loving and caring for Ivy like she did. She truly was a selfless woman (and a damn good cook, too!). I pray you find peace in knowing that your Momma and Daddy are happy, well and together again. They're probably sitting under a beautiful tree and your Daddy's picking his guitar. What a glorious day it will be when the whole family can be together again, nevermore to part. Much love to you all!*
