“ Thinking of our precious Mrs. Patsy and Mr. Earl, their children, grandchildren, their great grandchildren, her friends in love Dalane Kaye Garver and all of us that loved her on this day that her body is laid to rest.

We've shed many tears that Mrs Patsy is gone, but now it's time to smile because she has lived. She shared her heart and left a lasting part of her with each of us to live on forever. Though we can't see her our hearts are full of the love that we have shared. We can be happy for tomorrow because she was part of our yesterday. We can't focus only that she is gone but we CAN cherish her memory and let it live on. Thinking of Mrs Patsy and what she would do; I smile, love, give and continue to walk through. No more grieving for I know she is free and I like Mrs. Patsy will follow the path Father God laid for me.

“ *What a Jewel in the crown of our King Jesus!*

*Mr. Earl & Family:*

*Mike & I continue to keep all of you in our prayers; our time with both of you, Pasty & Earl at CWOL Church has impacted our lives deeply & forever.*

*Mike connected with you Earl, and your outgoing personality, (the mints helped) LOL.*

*But most importantly in my life, I had the privilege to Pray with Pasty in the prayer groups at CWOL. Pasty impacted my life on a profound level, as her life spoke of her love for Christ Jesus her King; I will miss her. Pasty was a quite; but a powerful prayer-er...*

*I believe that she will continue to see her prayers; those prayer's, prayed-out over the years come into being; as she looks over the banister of Heaven, and witnesses all of us, run our races unto the Author & Finisher of our Faith, Jesus Christ; even as she too, has finished her race, and is with her King right now.*

*Pasty, we too, will run our own races, unto Him the Author & Finisher of our faith.*

*I will see you once again sweet Pasty, and our joy will be unspeakable & FULL of Glory!!! We love you both very much! Shelly & Mike Glenn*

“ *As we Mrs. Patsy's friends and her beloved family say goodbye, all in a different way, each one of us will travel the road toward her departure on similar yet very different paths. Death teaches us about loss but mostly about living; life is short but beautiful; even though time is measured, there is enough, if you pay attention; if you use it wisely, life isn't perfect; look for the good and be grateful for each day we are given...thinking of you all..today I'm remembering Mrs. Patsy's smile, her laugh and the love she shared with me.*
