“ Patsy, it was a pleasure to work with you so many years ago at the Georgia College Mailroom, we shared lots of laughs. I'm sorry that you died so relatively young, but the candles that burn the brightest don't usually last as long, it seems. Condolences to friends and family.

“ I was just thinking about Patsy last week. I thought of the 'Southern Gentlemans Club' that some had set up in an old farm house in McDuffie County. Thought of light weight she was and how easy she could water ski.

Sorry I won't be able to come to Milledgeville and pay my respects. I'll always have fond memories of you and the rest of the Ansley's.

Till we met again.

Your cousin Jim

“ Being first cousins, I grew up with Patsy and her older sis, Martha Jean. Having lost touch with her for the past several years, it is with surprise and sadness to read of her death. RIP my dear cousin.

Judy, Patsy was just as you describe. I really liked working with her, but most of all being around her special spirit.
