I love and miss you so very much, when you left this world you took a piece of my heart with you. No one could ever take your place. I know you're in Heaven singing and dancing with the angels, especially Daddy and Stephen 😭. I would give anything to have you back but, I also know that you're precious body was tired and you said you wanted to go home, well your finally there Mama. I hope we continue to make you proud.
