“ *Throughout the years of my childhood, I used to always go with my mother to do the huge grocery shopping to feed a family of 9. She would tell me, " go grab some celery, go grab 3 lemons, etc," then she would say, " now go pick out something JUST FOR YOURSELF! " She was so thoughtful, and this always made me feel both special & appreciated.*

I miss my dear friend Mrs. Kane as I know all of you miss her as well. Mrs. Kane was my favorite customer at Town and Country Bank for many years. She was always so sweet and special to me. She was more a friend than just a customer. I felt I knew all the girls and Frank since she talked about them so much - always sweet and good things about them. I'll never forget. She was always taking care of their banking and makin sure they always had enough money for their needs. She always thought of her kids before her self. One day we were talking about them - she said "I have one regret. I wish I had done more for my kids". I thought - 'she'd done everything for them - how could she say that. But she loved them so. She was a wonderful lady and a wonderful friend. I'm sorry I didn't get to visit her one more time before she passed away. I just heard about her death today. Heaven has a new angel watching over all of us. I love you Patsy.
