“ We had the opportunity to visit with Peggy several times at the nursing home. She was like family to us because she kept our grandchildren when they were small. We had some fun times together. She is now at peace in heaven with her heavenly father. Rest in peace Peggy until we meet again. We love you and you will be missed. Herman & Barbara Channell

I am Evelyn Bernice Lyster and I am William Morgan Mills great niece. My grandmother was Evelyn Frances Mills and she lived in Milledgeville GA. I have not seen Peggy in years and I was very saddened that she had passed. When Peggy would come and stay with my grandmother she and I would walk up town and go to the show. The last show we attended was a James Bond Movie at the Campus Theater in downtown Milledgeville. Again I am sorry about Peggy's death and I want to know if her sister is still alive and how to get in touch with her. My email address is lysterevelyn@gmail.com
