“ Eddie & Chad (and all the family),

Peggy worked with my mother at Oconee Center years ago. I can remember getting off the elevator on the 3rd. floor at the Yarbrough Bldg. and first person you would always see was Peggy. She was always such a sweet and kind lady. I am so very sorry for all of you.

“ Eddie my friend. We have had our conversations about the journey you and your wife have taken. As you know, I was there with the two of you in prayer. Your devotion and care of your soul mate and wife has been extraordinary. The time has come for the earthly journey to end and the loss is felt so deeply. We who know you only imagine because we can't know the pain of your loss except in relationship to our own losses. The days ahead will be filled with many feelings and emotions and each is special in its own way. Hold fast to those memories and the love that has been shared these many years with your wife. Others will offer ideas about days ahead but only you will know the path that is correct for you. Recall our conversation about the communion of our spirits. Peace be with you and your family and may your find comfort as it can be found in the days ahead.
