“ *I had the greatest privilege and honor to have worked with Penny at Goodwill in Brunswick for 10 years. I also had the privilege and honor to count her as a great friend. My 3 sons and I are heartbroken over learning of her passing. She loved my boys just like her own. Our hearts, thoughts and prayers go out to Jason, Anna, Chris, Marie, the grandchildren and all the family during this difficult time. I can still hear her laugh, see her smile and see her light up, when she talked about her boys, her daughters-in-law, especially her grandchildren and the farm. I am so glad she was back at the farm and enjoying being with family, when she passed. She really loved being back on the farm and being near family. I look back on all the memories I have working with Penny, talking with her, laughing with her and listening to her, and remember them fondly and with a smile on my face. She will be greatly missed! God Bless You All!*

“ My deepest sympathy to Penny's family. I have known Penny since 1st grade, we played together often when in elementary school at Peabody.

We had not seen each other much since high school, but I always thought a lot about her. I am so glad I was able see her and visit with her at our class reunion in April.

Penny will be greatly missed. May your fond memories help to ease your pain at this time.
