“ I vividly recall Mr Pete when he operated Pete's Place on N Columbia St. I met him when he was the victim of an Armed Robbery at his business back in 1980. I stopped by many times thereafter until he closed it down. I believe the fear or more robberies took a toll on him and his safety. He was a kind, considerate, humbling gentleman from the last of a dying breed. Thanks for being a part of my history for a short time.##imported-begin##Wallace Moore##imported-end##
