It seems to hurt a little more when someone passes away unexpectedly. Pete was someone you felt comfortable with. I'll miss his character, his generosity, his knowledge, his subtleness but most of all his friendship. You'll be missed, buddy. RIP my friend. Craig

He loved Bringing his dog Cody to work with him. He was the best at what he did but most of all he became one of my best friends. We spent time at work, golfing and most times at the American Legion. He was proud man talked about his wife Patti and his daughter Kelly. He will truly be missed.
