“ Ferrell and Tori, this is truly a shock to me. Ferrell, I talked to you not long ago about Phyllis, but I didn't realize that this was about to happen. She was one of the sweetest ladies I have ever known, and I have known her since she was in high school. She took care of me and my banking business almost like a child at Century Bank for almost fifty years. This is truly a sad day, I know for you and Tori, but also for me. Tori, I am "Uncle Johnny" ,the one who taught you to ride a tricycle when you were staying with Miss. Linda while Mom worked. You, with your natural wit are one I will never forget!! It was always such a joy when you were at our house.
I am truly sorry for your tremendous loss. Phyllis was a precious, caring lady who will truly be missed by many, many people

“ It is with great heart felt sadness that I'm posting this loss of a life long family friend. My thoughts and prayers are with Mr. Thompson, Toi, grandchild and all other family and the many friends that Phyllis made in her many years of working at Century Bank and always treated every customer with the kindest heart and caring and always tried to build a lasting friendship with many lives she came into contact with. If you had the opportunity of every meeting Phyllis you will know first hand she had the biggest heart and was always willing to help in anyway she could and was even willing to go above and beyond to be there for you in anyway possible that she could. Phyllis you will always be missed and you will forever hold a special place in my heart and my family's hearts. Thank you for always being a true friend to my entire family and being there for us through thick and thin the good times and the sad times. May you rest in peace. May God hold all your family and friends that are affected by your loss, as I know there are many, close to him during this difficult time. To all, your hearts will forever hold an empty spot but remember this is not permanent, this is only temporary and one day we will all be reunited with our loved ones again. Until then may their memories and legacy they left behind live on. God bless! With all my love,
