“ Poin introduced me to the business side of roller skating and I learned a lot from this great man. He taught me the importance of the rules and standard setting in the business . Thank you Poin for showing me the side of roller skating that I needed to know ! I now own and operate my own rink and am opening another soon . He taught me how run a safe and fun place for kids to go . The definition of a good man, a stern man but a good one. Those that knew him had to have respect for him and his love for the children, his family and his animals was unconditional and unflinching. Thank you Poin and Devona for leading me in the right direction and always being a phone call away.

Today Poin's skates were put back on the shelf. Thank you Poin for always doing and meaning what you say. Someone I'll never forget ... roll on my friend ... Bobby Reynolds— Madison, Ga

Uncle Poin was a unique uncle who seemed to care about everyone he met. He was gracious, kind and always ready to share a story or two. Our Lord was very gracious to our family for letting us know Uncle Poin.

“ Dear Galloway family,
I'm saddened to read about Jill RIP and Mr. Galloway who brought so many happy Friday and Saturday nights to my childhood!!!! I wish we could have gone a reunion of the 70 kids and the Rocket Roller Rink together to show him how much we appreciated those nights of going around and around for many hours!!! I NEVER KNEW he was a Navy Seal, thank you for your service!!! Again, thank you for making so many of us have great, clean fun, exercise, and great music all while roller skating!!! May your memories live on as we tell our kids, grandkids, and great grandkids the times we had at Rocket Roller Rink across from the Mall.
Deepest sympathy,
Nancy Gercken Floyd

“ I am so sorry to hear about Mr. Galloway's passing. He and my father were very friends many years ago. Mr. Galloway was always kind and took the time to share stories with me. I enjoyed all of our conversations.

I also spent many hours at the skating rink. Mr. and Mrs. Galloway watched over so many children then. They gave us a wonderful place to have good, clean fun. I have such loving memories of them and those times.

Sending prayers for peace and comfort for the family.
