Tribute Wall

“ Powell and I were knew each other more than any one! He and I were married for almost 12 years and out of this bond, we had Nichole. The apple of Powell's eye and the joy to both of our hearts. Nichole is such a blessing and I hope one day you all get to meet her. You will see how Powell and I still held our bond together. With some marriages ours broke, however the love in our hearts for each other never did. I know I will meet him on the other side and probably sell a car or 2. Both of our passions. Thank You all for your assistance and help through this trying time and remember he's receiving the greatest love there is.##imported-begin##Rhonda Vincent##imported-end##

“ This was a great loss to me, my family, Powell's host of friends, and especially to the many many Veterans at the Georgia War Veterans Home in Milledgeville. My heart goes out to all of you because I know how close you all were. Powell loved you all so much and after visiting with you I know you loved him too.

In the days to follow, there will be much sorrow and loneliness. Please read The first chapter of Philippians, especially verse 3. It says to give thanks every time you remember him. And do we all have lots of memories. My prayers are with you all.##imported-begin##Sandy Bagwell##imported-end##
