“ Dear Grandma Bateman, I know that through tough times over the years we have spent so much time apart. I always think about you. I never stopped loving you. I remember sitting with you at the piano playing it together. I will always remember spending time in the garden with you. I never stopped loving you, and we have talked in the past about why it was hard for me to come and visit you like I wanted to, and you understood. My love for you never died, and it will continue living forever in my heart. I love you Grandma, give Granddaddy a kiss for me.##imported-begin##Frances Lewis##imported-end##
