“ He was - a fighter, friend, lover of people, good listener, procrastinator, but still a hard worker; he was - objective, forceful, compassionate, funny, serious, moody, hateful, sarcastic, spontaneous, loving, caring, kind, tender hearted; give you the shirt off of his back kind of person, but most of all, HE WAS MY SOULMATE, since children we have always been connected and we will remain connected FOREVER. I loved him yesterday, I love him today and I will always love him. He will forever be in my soul. I will miss his strong reassuring voice. He is happy where he is, with moma and granny two of the people on this earth that loved him completely and unconditionally.##imported-begin##Cathy Lamb##imported-end##
