“ Randy had a place on Lake Sinclair, several doors from out lake house. Randy was a breath of sunshine and such a joy to be around. He had a joyful spirit full of laughter and seemed to be always laughing on the inside as well as on the outside. We are so sorry for your loss, and the loss of all that loved him. The lake will not be the same without Randy.

*All of you are in our thoughts and prayers right now. I have known Randy for the past 30 years or longer and always enjoyed his outgoing personality and humor. He had the warmest laugh and was always so sincere whenever we saw each other. One of my fondest memories was back in the late 1980's at Lake Sinclair where he dazzled all of his friends with a skydive over the lake and Bass Boat House where he soared above houses and boats and then landed perfectly on a friend's front yard. It was awesome! I will never forget him.*

“ My thoughts of Randy take me to the last time we spoke. It was on our night shift rotation in the break-room at Carbo Ceramics. We discussed his recent transfer to our sister plant. We also discussed living life to it's fullest and enjoying every moment the lord had given us to live. I had just transfer to the shift, but everytime I saw Randy was a pleasure. He always had a smile, and seemed to always be in good humor. Working as closely as we do, it doesn't take long to become friends.
