Ray was born in Dekalb County on December 13, 1935 and was preceded in death by his parents, Anne Maude Mobley and James Frank Mobley; sister, Dorothy Cooper; and brothers, James H. Mobley and Billy H. Mobley. He is survived by his wife, Mrs. Michele Mobley; daughters, Mrs. Kim Smallwood (Mike) and Mrs. Terri Griner (Kyle); son, Chris Mobley; three grandsons, Shane Smallwood, Andrew Griner, and Alex Griner; two great-grandchildren, Carson and Camden Smallwood; sisters, Mrs. Dean Cain, Mrs. Novene Frazier, and Mrs. Mary Nell Jackson; brother, Mr. Bobby Mobley; two stepchildren, and several nieces and nephews.

Ray was raised in Decatur, GA and began working as a brick mason with his father in the family business. He had a sincere passion for building and constructed his first home in 1965. He continued building custom homes for 38 years in Dekalb, Fulton, and Gwinnett counties. He was a member of Glen

Haven Baptist Church where he developed life-long friendships that still stand strong to this day. He loved spending time with friends and family and was known for hosting numerous socials and family gatherings. He had a vivacious personality and people naturally gravitated towards him. Laughter was always plentiful in his presence. One of Ray's favorite places to be was the beach where he vacationed for years with friends and family. Another favorite was Lake Oconee where he retired to in 2003.

He was a beloved husband and father, but of all his many accomplishments in life, his most treasured role was that of "Pop." Pop was much more than his grandparent nickname; it became his legacy as a pillar of unconditional love and laughter for all who came in contact with him.

“ Mr. Mobley sold me my very first car when I was 16 years old. It was Terri's used Toyotal1977 Celica. My mom told me what a nightmare my Dad was trying to nickle and dime Mr. Mobley. She remembers Mr. Mobley being so kind and friendly to my Dad. He knew everything about that car and he had it shining for me like it was brand new! He ended up after that car was given to me getting Terri her Prelude!! Terri was the sparkle in his eye. While it was many many years ago, I will always remember his kindness to Terri's friends. He always made us feel right at home. Terri's home was the cool home with the awesome pool, with the cozy basement. We did not go without when we were at Terri's house. I am sending this family a big virtual hug. I am very very sorry your hearts are hurting. Mr. Mobley will forever be with you and the sparkle in his eye will never die. LOve to you all, especially one of my forever besties, Terri.

“ He was like my 2nd father, as the Mobley family was my 2nd family. We lived next door to each for 20 years and shared alot of great memories. Memories made that will never be forgotten. I will keep you all in my thoughts and prayers always for the loss of this great man. Sharee Witcher Clark
