“ Myranda Robbie Skylar and Family. Ray was the kindest most humble and sincere cousin and remembered relatives and things from the past with our family and was such a blessing every time we met. I very much regret not visiting with him more. He always had more concern for others than himself showing his heart for the Lord whom he believed in and showed it through his life. He is truly one of a kind and will be missed very much. We love y'all very much! Godspeed Cousin Ray! ken mills and family

“ I can't even remember the first time I met Ray Hamilton - whenever it was, years ago, I probably felt like I already knew him. Ray just had a way about him that made everyone around him feel loved and appreciated. With all his own challenges in his life, he seemed to genuinely care how other people's lives were going, and always had something good to say about others.

I guess it's possible that Ray had people who didn't like him, but I never met a single one. Rest In Peace, Ray Hamilton - your kindness, your smile and your friendship will be sorely missed by just about everyone who had the pleasure of knowing you!

“ You were a good friend, Ray. I will miss our philosophical (at least on a level we understood) discussions sitting at the huddle house. My condolences to the family.

“ Ray was my friend when I moved to the same area of Sportsman Club Rd. We did so much silly stuff. We rode a kids mini bike and blew it up because we couldn't change gears. We had so much fun back then. Rest in Peace old friend. The Lord opened the door for you so walk in my friend. See you soon 🙏❤️
