“ My heart is a bit heavier today learning of Raymond's death. We grew up in Scottsboro back when neighbors were close, visited and knew each other. When Raymond worked for the County Water Dept. he would stop by the Hardwick Fire Dept. to say hello. We would catch-up on family, hunting trips and life. He was a "Gentle Giant" of a man and I will cherish my memories of him and times when our path's of life crossed. Prayers and Condolences to his family.
