“ *Mr Brookins was a sweet man who always had a smile to brighten your day. We would always talk about the past and he told me he was out in front of the Campus Theatre the day Marion Stenbridge shot Marian Ennis and Pete Bivens. He relived the moment and told me he a police officer ran up stairs and seen the aftermath. He loved music and always asked about my band everytime I ran into him. I shall miss him.*

To the family of Mr. Brookins. I am so sorry to hear about the passing of Mr. Brookins. Mr. Brookins was a dear friend of my family for a long time. We all went to Northside Baptist Church and then moved to Freedom the last several years ago. He wasn't only a dear friend, but he was also a loyal customer of mine at Bobby Brown Insurance Agency. He shared so many sweet stories of his wife and family with me and was a great inspiration for our Lord Jesus Christ. I know without a doubt Mr. Brookins has not only passed, but he has passed onto another beautiful life with Jesus Christ for eternity! Mr. Brookins, you will be missed, and it was a pleasure to be called your friend.

Sincere Sympathy on the passing of Mr. Brookins. He was an expert on the day to day history of Central State Hospital during his time working there. I spoke with him several times and he was always very gracious in sharing his extensive knowledge. His passing is truly a loss to our community.
