

Richard Todd Colvin

January 15, 1956 - January 21, 2010

Richard Todd (Rick) Colvin, 54, of Milledgeville GA passed away on Thursday at Trinity Hospital in Augusta Georgia after a very brief and sudden illness. Visitation will be from 2-4 pm on Saturday, January 30, followed by a 4 pm Prayer Service at Williams Funeral Home and Crematory, Milledgeville, GA.

Rick was a native of Dennison Ohio, the son of Earl and Kathryn Colvin. After graduating with a Bachelor's degree in Chemistry from Muskingum College, he began his career as a bench chemist for Engelhard Minerals and Chemicals. Later he moved into field sales and Product Management for paper kaolin. Rick loved the kaolin industry and spent the rest of his 32-year career imbedded in this small, tightly knit, Middle Georgia industry. From Nord Kaolin, to Dry Branch Kaolin, Thiele Kaolin and finally to his own consulting firm focused solely on the kaolin industry, he developed many strong customer relationships as well as dear friendships that crossed company lines and touched Europe, South America and the Far East. 'Kaolin Rick' as he was affectionately known, believed that kaolin, not blood, ran through his veins.

Rick served on the Paper Industry Management Association Board of Directors, was the 2007-2008 Affiliate Chairman and recipient of the Thomas F. Sheerin Service Award in 2004.

Rick loved to hunt and fish, was an avid Ohio State Buckeye fan and bloodhounds were his dog of choice. He doted on his wife Barbie and helped develop their wooded property into the garden of her dreams, a legacy to his patience and tolerance of her gardening whims, his loving spirit and devotion to her. He was generous with his time to all who knew him and quick to lend a hand to anyone in need. Many a book or tool had to be replaced because he had given his away to someone who showed an interest in it.

Rick is survived by his wife and soul mate of 26 years, Barbie, sister Ann Colvin of Columbus Ohio and her loving long term companion Louis (Gene) Vassy.

In lieu of flowers, the family asks that memorial contributions be made to the renovation of the grounds at Lockerly Arboretum (PO Box 310, Milledgeville GA 31059) or the Healing and Hope Through Science children's outreach program (c/o Katie Vogel, Sarah P Duke Gardens, Campus Box 90341, 426 Anderson Street, Durham, NC 27708; www.healingandhopethroughscience.org/).

Tribute Wall

“ I was so sad to hear of Rick's passing away. My deepest condolences to his family. I went to school with Rick and we were classmates in Dennison & Uhrichsville, Ohio. I became aware of his death in a paper trade magazine today. I did not know that we both ended up in the paper industry and probably crossed paths at some time since we last saw each other some 36 years ago! I always remembered a nice guy with a big smile.##imported-begin##Mike Willoughby##imported-end##

“ Most of my memories of Rick are from the road. He approached work like he approached life- with passion and determination, and without fear. Rick and I spent a lifetime together one night: driving from Montreal to Portland in the "Ice Storm of '98" when they said it couldn't be done. Rick had promises to keep. I hope that I have become a little bit like him. I sure will miss him and I am sorry I can't be there with you all today.

“ Barbie and Ann, Please accept our condolences. Rick was a high school & college friend. Dan was a teammate of Rick's for eight years. He will continue to be part of the fond memories we have of those times. We still laugh about Rick's extensive repertoire of one liners. One of our favorites being, "you don't fight the elements, you live with them". So sad to think that he is gone. God Bless you all.

We are so sorry about Rick. He was a very good friend. I remember a lot of fun we had when we had traveled to Penn Tec in Johnsonburg, PA and things were not going just right. A mill personnel asked me who was in charge, and just at that time Rick was just getting to the mill from Georgia, and I quickly pointed my finger at Rick and said he was in charge. “ Barbie,

I was sorry to hear about Rick. Whenever Rick was over here visiting, he always talked about you in such a loving way. I could tell y'all were very close. I don't know if Rick ever told you about mixing up cake icing in my kitchen at home. He and Wade Brown were helping me late one night. They did not know you had to turn the mixer off before raising the beaters out of the bowl. You can just imagine what happened when Rick did. There was a layer of icing on my cabinets, ceiling, and floor. I sure will miss him. I will pray for you to have peace in knowing Rick told me he was a Christian and he is out of pain. But, the pain of separation is great for those who loved Rick.
