“ To the Johnson Family: I am so very sorry for your loss. Almighty God Jehoivah is a loving God and he yearns to bring back our dear loved ones who have passed on.(Job 14:14, 15). Meditating on that scripture and other Bible passages such as Psalms 94:19 can bring much comfort. Your family will be in my thoughts and prayers.

“ Ricky, I am and will always miss you !! You have been a big part of our lives for so long!

We have spent so many " fun" times together, just cooking, shopping, decorating your apt. , talking about our hopes and dreams ! Alyssa sang for you and you didn't have to sneak away haha!!

I take so much comfort in knowing you will not hurt anymore, you are probally still hugging Mom to pieces !!

I'm kinda being selfish in missing you so when I know your work on earth is over, your now with Our Lord , Mom and all those you have lost along the way that you have missed! Everyday you livespd here , no matter what was going on , you were happy for the day ! You have no idea how many times you lifted ME up ! I know you loved each and everyone of your kids first of all and all your siblings, no matter what ! You were aerially such an optimistic man!!!

I'm going to miss you my little brother, but will also do my best not to focus on not having you in the physical form, but know that I have you in the spiritual form always until we see each other again !!! You like Mom, will live in my heart and all the great memories we all made here as a big family while you lived in Phillips camper !! Thankyou for your last call to wish me Happy Birthday !! You've never missed a year no matter where you or I was !!! your so kind and loving like that !!!
