“ Margie,
Ricky was a great guy and friend to me we always joked with each other because ricky would tell every body that he and I were brothers because we were born on the same day and I would tell them we were but I was 6 hours older.
I will never forget the days that we worked out of the kemper ID room and about ricky kind heart and never refusing to do anything. Even when he went to Rivers we always stayed friends.
I will always remember him and every year that I have remaining on our Birthday
Luv from a army brother, coworker/ and friend JT
