“ Ricky is my son in law and was like a son to me. I many fond memories we spent together and glad I have those memories we shared. He was a great husband to my daughter Maria and we miss him so much. It will never be the same without Ricky and I pray he is now at peace with no more pain. We will see you again Ricky so until then you will be Maria's angel above.

“ Richard was such a pleasure to work with! He was professional and always willing to go the extra mile. I am so very sorry to hear of his passing. Great PEOPLE like Richard don't come around as often as they should. He will be missed tremendously here at the Crete Carrier/Shaffer Trucking family. Father God, please keep and carry these precious people in their sadness and loss. Cover them with your great wings of love and give their weary hearts rest and their minds sound sleep. Father we thank you for the gift of Richard to be in our lives for the time span you saw fit. Please provide his family, friends, and loved ones with the comfort of knowing his suffering is over and he gained wings to be with you.
We ask all this in the your precious son Jesus name.
