“ Ricky will be greatly missed...always a cheerful word. I first met Ricky back in the early 70's when we played in a band together. We had the same type Ludwig vistalite drums, his were blue and mine were amber so we went by "Blue Amber". We used to practice out at the old Hood place off Gordon highway for hours and hours. We just did it for fun. I'll always charish those days and always enjoyed talking drums with Ricky over the years.

Rest in peace.##imported-begin##Tim Henry##imported-end##

“ Ricky was the second person I met when I moved to Milledgeville in 1982, and since he lived just up the street, I hung-out with him a lot during that time. We played music together for many years with Burt, Hanna, Red, Lane, Lonnie, and others. He's one of the sweetest and funniest guys I ever had as a friend. I am sorry that he is gone. Rest in peace.##imported-begin##Trip Crumbley##imported-end##

“ I heard of Ricky's death at church services on sunday the day of the funeral, I was in total shock! Ricky and I go back a very long way,I lived across the road from David Little ,so Ricky and I met long before school. The rest is history. He was the kind of guy that "to know him was to love him". To hear him play those drums was like music to your soul. It has been years since I saw him last, but I know I'll see again soon in heaven, I won't even have to look for him all I have to do is listen for the best drummer in heaven!!!! To the family I pray that God will give you all the comfort you need to get ya'll thru this time of sorrow. Just remmber that you will see him again, to be absent from the body is to be present with the Lord. LOVE ALWAYS VICKEY##imported-begin##Vickey (wood) Bloodworth##imported-end##

“ I was friends with Ricky in school. Seems so long ago. Years later, when Ricky,Jr. was my student at Southside, I had a chance to visit with him again.  
In October I had the opportunity to reminsce with Ricky about some of those day. It was fun and we laughed at what we remembered, making it feel like it all happened yesterday. I will miss his smile, his laugh, and his warm and friendly personality.  
Ricky,Jr., I am thinking about you at this time. I am so sorry.##imported-begin##Lisa R.Moses##imported-end##

“ I dated Ricky on and off. I fell in love with him in the 8th grade, but he didn't know I existed then. We meet up again when he hung out with my brothers Bobby and Tommy Durden. Tommy had just called me about 2 months ago and Ricky and I had talked it had been over 30 years. He was a wonderful person, drummer, and painter. I know he was a good father cause he was such a great man to my daughter. I knew David little he went on a double date with us and my sister Pam. I am very sorry for your lose. If you should come across a picture of us at a friends house he and I both had blond hair and I was wearing a shiny multi-colored shirt and we were on the couch sitting he had his arm around me if you come across the picture can I have it?  
Again I am very sorry for your loss. If you would like to contact me you can reach me at 478-628-1225.
