“ Kira,

I am so very sorry for your loss. Words can give some comfort but it is the love that you feel for that person that gives you the greatest comfort. I have lost both Daddy and my brother, time helps but does not ease the pain.

It seems like only yesterday that you were working at Baldwin Co E911. Taylor such a small thing. Hard to believe that so much time has passed. Now we both share in the loss of a loved one.

Kira, my heart goes out to you, your Dad, and the kids.

Know that I love you, think of you often and laugh at some of the calls we shared together.

Your Mother will continue to live on in you, Taylor and Skylar. Know that she will always love you and when the girls ask where Granny is, this might help.

A friend once told me that he wanted to be remembered when the wind blew, the sun shined, the rain fell, the stars shined and the moon glowed because he would part of it all.....

I love you and am thinking about you##imported-begin##Carolyn Balkcom (Talley)##imported-end##

Our thoughts and prayers are with you during this time. The days ahead will be difficult but you don't walk alone. This was a shock for us and we know it was for you. “ "Rita next door". I can't but help smile when I think of Rita saying that every time she called me. And that was many many times since she was my wonderful neighbor for the past 11 years. I loved her dearly and William as well. I will miss you terribly Rita but I know you are with your Lord and Savior because I know he was no doubt in your heart. I love you dear one.
