“ *I so many good and crazy memories of Robert. Mainly when him, Susan, Harry, Sammie(my mom) and me would go stay up at the lake. We used to have the best times. But we had fun anytime we would all hang out. Love you Robert*

“ My favorite memory was from one of our family gatherings at the lake way back in the day. It's was uncle Robert, uncle Harry, and uncle Richard. One on each end of the living room and one in the middle on the couches, all the kids sleeping on pallets in between them. One of them started snoring, the next one snored louder, and the other out did them both. They did that all night. I couldn't help but laugh cause they were trying to out do each other in there sleep. I didn't get much sleep that night but I will cherish that memory and think of how much fun we had together, and all the laughs. I wish my kids could have experienced those fun times.
