“ *I had the pleasure of meeting Bob when he purchased the Bowling Center. My company and I sold him some of the supplies needed to remodel the Bowling Center. He did an admirable job with the center and it is a shame that he didn't get to enjoy it longer! Cheers to your life and thanks for what you did ! Your friends at Classic Products.*

“ Cynthia,

I am so sorry to hear of Bob's passing. He was such a great man who touched so many lives. If you need anything please do not hesitate to call me.

I pray you find peace in the knowledge that Bob will be missed by so many for his character, mentoring, fun disposition, and his love for people. You both gave a tremendous gift to Milledgeville in renovating and giving the community a wonderful place for socializing, learning or refining a fun sport, competing, and having a great time - Lake Country Lanes. It's an amazing legacy.

“ Dearest Cynthia and Family,

I cherish the many good times and laughs I shared with you & Bob over the years.

Bob will definitely be missed across the countless circles his life touched—his U.S. Air Force active duty family; his civilian workforce and all who he helped with the GPC; the loads of customers, friends & workers at the bowling center who grew to become his family too, and the list goes on and on. We will all carry Bob in our hearts forever.

Our prayer is that God will provide you and family strength, comfort and peace. May God bless and keep you all.

*We love you,

“ Bob and I work together at HQ SOCOM for many years. He was a leader and one that you could go to to get your questions answered. He was an honest man and loyal to this country and I got to know him well and we will all miss him... May the good Lord Jesus Christ be with the family and I know one day we'll meet again...
