“ To the Decker family, especially Brian, so sorry to hear of your tremendous loss. Your father was a a wonderful man and a true gentleman. We knew him from our work at Rheem. He was a great conversationalist and an easy man to talk with. He will be sorely missed by all who were lucky enough to know him. Our thoughts are with you all.

“ Dear Family,
I met Bob back in 1995 when he activated a cell phone with BellSouth Mobility. My previous name was Decker from Dothan Al. He and I would talk and have good conversations when he came in the phone store.
After I left the company, I would see Bob every now and then and our conversations were still in the same friendly manner. The last time I saw Bob was in Lowes a couple of years ago and still we laughed and talked about the days gone by. He and Jean were two very lovely people that I will always remember.
So, please know that you all are in our thoughts and prayers during the days ahead.
