“ Dear Dad,  
*Monday was the one year anniversary of your death. It is still hard to deal with. Losing you and Mom was very traumatic for all of us. I know that it was your time to go, however it does not make it easier. You and Mom both know about Roland. Take good care of him and yourselves for us. We will all be with you some day. Give my love to Mom and all my love to you too.*

*Love Always and Forever.*

“ Dear Dad,  
*Happy Fathers Day! I sure do miss you. I know that you and Mom are together celebrating. We all think about you both daily. I just spent a week at the lake house. It was so nice. It just is not the same without you and Mom. Please continue to watch over us. Put in a good word with God so we can win the lottery. It would be nice to take care of the family and not have to worry any more.*

*Love and Miss you Laura & Jeff###imported-begin##Laura Nichols###imported-end##*

“ I Love and miss you Dad. Sorry I did write sooner but it's been really hard for me. To see you weaken and in so much pain was difficult for me but I'm glad you didn't have to suffer long. I am also glad I could be there for you so that you would know just how much I love you. I would have given anything I had to help and get you better but I guess that was not god's plan. I hope you know just how much you mean to me and how much I miss you. I'm glad you are not in any more pain and that you can be with Mom again. Please visit me in my dreams when you can and ask Mom to do the same. It's Mom's birthday today, I hope you both are having a good time celebrating.

I LOVE YOU!###imported-begin###Dianne Abbey###imported-end##
