“ My Love & Prayers are with my Auntie Phine, I have many memories of my Uncle Robert. The most recent 1. When he had a long talk with my youngest son(Don Jr.)about football, then he talked about the importance of eating healthy, how important getting an education was. Then he went on to say how much Anitra & I look alike,but what touched my heart the most. Is when he said " Niece you did a great job, your kids are so well mannered & respectfully" . Then he said very sternly, " the next time you come home don't forget that Grainger Catalog" .

“Love is stronger than death even though it can't stop death from happening, but no matter how hard death tries it can't separate people from love. It can't take away our memories either. In the end, life is stronger than death.” – Unknown
