Thank you for sharing Robert's service on line. I taught him at BHS. I had the chance to see him when he and his father cut some timber on our property. He was a great person and I know you will miss him greatly. I will keep his family in my prayers during the difficult days ahead.

at church for our events. Robert took pride in his work for the Lord,
he was in charge of our communions an made sure it was perfect.
We know your home with the Lord an are watching over us.

“ Robert was the best brother ever ! He would do anything for me I needed wether is was just putting up a ceiling fan at our house or he would pay someone else to do it for us. I will never forget you and I will try to help watch over Kayla and Zack the best I can plus Nova and Jaelyn and tell them all about you and tell them about Jesus cause I know you would want them to know about the Lord.
