“ I'll never forget you papa. I'll never forget all the memories you shared with me of your life. I'll never forget that time me and Matt went fishing with you and I helped Matt pull in that big cat it was fun going with you. I wish I could of went fishing with you more. You loved fishing and you loved to sit and talk about the good ole days. You was a hard working man that never gave up. Everyday you was in your garage working on something or out in the yard you was always doing something, you'd get things done there was no waiting, you hated not being able to do something. You was the best man for my gma and she loves you more than anything, I'd have the biggest smile coming into the kitchen and see y'all holding each other. Life won't be the same without you the lake house won't be the same without you, but when I go I will try to catch a big one for you. Love you papa ! Rest on papa
