“ Bobby, this is you very first sister -n-law Debbie you married my sisrer Judy Allen you both were young and it did not work but we all had alot of good times. Mine and Judy's hearts goes out to all the family. some of you might remember us. I want you all to know especially his daughter a picture can say a thousand words and we do have some pictures so if anyone would would like copies please just call me or e-mail me. I will be more than glad to send to you. When Judy called and told me this news we were both sick over it. It was bad because the way she found out was by someone just bringing her a milledgeville paper and there it was. I wrote this once i lost it somehow I hope it doesn't go in twice. but we worked with Bobby at J.p. Stevens for along time. we had alot of fun. Bobby was always such a good person and although we hadn't seen him in years he will truely be missed. Like I said if any of the family or friends would like to get in touch with us or copies of pictures please just e-mail me or call me. Judy sends her synpahty as well as me. This signing is actually from Judy and myself she is working and doesn't have access to a computer right now but she sends her love and synpahty as well as me. If we can do anything for any of you please contace me. i know his daughter would probley be interested in some pictures of the 70's and early 80's. God Bless you all and Ms. patterson Mildred i am so sorry you lost your son I have two boys and I just can't imagine if I can do anything for you let me know just call or e-mail.
