“ *Condolences to Sally and Bob's kids on his passing. So glad the family got together in Savannah two years ago to spend a week on Tybee Island. Bob loved that place (and the great food). He was the world's best Mall Santa.

Mom, Bob and Lee moved to Georgia so I never really got to know him, but he gave mom and Lee the care and love they deserved. He nicknamed my Tara "Mouse Woman" which I still call her! I am sad for my mom to have lost the great love of her life. His brief suffering is over for which I am thankful. And mom's suffering watching him suffer was thankfully brief.
